STUDENT GOVERNMENT ACCOUNTING SERVICES

Policy on Student Stipend Calculation

- Stipend for Elected Members of the Undergraduate Student Association
 - Stipend calculated by the current California minimum wage rate based on a twenty (20) hour work week.
 - For the nine months of the academic year, all USA elected officers shall receive a stipend amount the monthly rate determined by stipend calculation.
 - For the three months of the Summer term, all USA elected officers shall receive a stipend amount not to exceed the monthly rate of thirty five percent (35%) of the stipend rate.
 - Stipends rates for all other positions funded by USAC cannot exceed the stipend level of Elected Members of the Undergraduate Student Association.
 - Current stipend rates for all positions can be found in the USA Financial Guidelines.
