

The Green Initiative Fund Fee (TGIF)

Ballot Language

Shall undergraduate students establish the Green Initiative Fund (TGIF)? TGIF will allocate money to student led projects aimed at reducing UCLA's environmental impact, fostering student innovation, and providing opportunities for entrepreneurship. TGIF will be funded through an increase in student fees of \$4 per quarter. The fee will increase to \$4.50 in 2011 and \$5.00 in 2014 and will be terminated in the tenth year

Per the Undergraduate Students Association Election in May 2008, a TGIF Fee was created of \$4.00 per student per quarter for ten years (with 25% of the fee returned to aid, per University policy). The Fund is allocated by the TGIF Grant-Making Committee. The Referendum stipulates that a TGIF Grant Coordinator be hired at 50% of a full-time employee.
